Mirror: Grit, Choices, Destiny*

Keynote Speaker:

Dr. Freeman Hrabowski

Dr. Freeman A. Hrabowski, has served as President of UMBC (University of Maryland, Baltimore County) since 1992. Under his leadership, UMBC has been recognized as a model for inclusive excellence.*

"In my opinion, Dr. Freeman Hrabowski is the best leader in higher education in the country right now. He is committed to transforming lives through the power of education, especially for students from underrepresented groups. As a personal mentor and friend to me for more than 25 years, his guidance has been invaluable along my career path in education. I know that he will bring a wealth of knowledge and a unique perspective to this dialogue about public education in South Carolina."

~James P. Clements, Ph.D, President, Clemson University
